Dear Astro Travel & Tours Staff:

On behalf of Florida A&M University (FAMU) Department of Athletics, I would like to express my gratitude for your patience, support, and services rendered to us over the years.

When called upon for a trip, whether it is months in advance or at the last minute you all come through for us each time. You have really accommodated the needs of our coaches, student-athletes and the department as well.

I have never gotten a complaint about your buses or drivers from any of our coaching staff or student-athletes. Your buses are always, clean, comfortable, and up to date. The drivers are flexible, understanding of our athletic teams needs, always willing to help in any way, and make the trips comfortable for their passengers.

Once again thank you for your outstanding service and we really appreciate the entire staff at Astro Travel & Tours, Inc...

We look forward to working with you in the years to come.

Sincerely,

Robin Wallace
