Dear Charlie,

On behalf of Coach Alford, the team, and staff of the Iowa Basketball program, I would like to thank you and our driver, for the excellent service extended us during our stay in Tallahassee to play the Seminoles. The bus was excellent, clean and in good repair and the driver so flexible and understanding to athletic team needs and willing to help in any way. He may be the best driver I have ever had.

Please express our appreciation to all involved.

Sincerely,

John Streif
