Dear Charlie,

Thank you for your participation in the 2003 Florida Inaugural Celebration. Your outstanding work during the Inaugural Events meant that our state leaders, their supporters and the people of Florida were able to enjoy a fantastic celebration as we progressed into Florida's first Inaugural of the 21st Century.

The 2003 Florida Inaugural Events attracted over 35,000 requests for event tickets, and thanks to your efforts, over 5000 Floridians who came together in Tallahassee on January 7th enjoyed an extraordinary display of Florida's culture, our remarkable history and also a look into Florida's future. I hope you will take great pride in being a part of history, and for making the Inaugural Celebration a huge success.

Once again, thank you. I also want to extend the gratitude of the First Lady and the rest of our state leaders as we continue to work hard for the issues that are important to you and to work even harder to improve the lives of all Floridians.

Sincerely,
