

Westgate Church of Christ

Dear Mr. Hunter,

On behalf of the members of our Keep In Touch (KIT) Group at Westgate Church of Christ, Dothan, AL , I am writing this.

Thank you for your thoughtful consideration you extended us on our contract to Callaway Gardens. We truly appreciated it.

When I arrived for the trip and saw the exterior of the bus, that new, beautiful, green streamline bus, I knew we were traveling in style. The group was extremely pleased with the bus. The interior was very impressive. Very clean, comfortable and with features of home. Our ride was as though we were on a cloud. What a pleasure and delight to travel via Astro Tours.

Our driver was a friend & member of our congregation. He was professional in performing his duties as our driver. He was attentive to our needs and comfort.

We are considering and thinking about possibly a trip or two later on. When we have gathered the necessary information, details, and plans worked out; we will contact you for cost and information.

Our thanks and appreciation for a memorable trip to Callaway.

Sincerely,

Ruth Rudder
Activities Chairperson
